DINO CARS

3 FENDT ROADSTER WITH BACK PEDAL BRAKE
The TRACK BF1 FENDT with roll bar is brilliantly equipped! With studded tyres, floating axle, exhaust, spherical head steering, front spoiler and 6 seating positions, it is equal to its bigger role models in terms of efficiency and reliability. Its deployment, with the roll bar as standard, is always safe even in rough terrain. Thanks to the integrated trailer hitch, you are well equipped for any work in the field. Apart from the modern design, the go-kart also has the latest BF1 free-wheel. The BF1 prevents the pedals from turning when driving forward. The driver can therefore stop pedalling while moving forward. This minimises the risk of injury. To reverse the go-kart, you intuitively break with the pedals or the handbrake until it stops. Then the pedals are turned backwards. The reverse gear engages automatically. Pure driving fun! Dimensions: L 150 × W 86 × D 80 cm. Weight: 50 kg. Bears loads up to 100 kg.

X991 018 225 000 5+

4 FENDT ROADSTER 3 GEARS AND BACK PEDAL BRAKE
The highlight of the TRACK BF3 FENDT with roll bar is the integrated 3-gear transmission with back pedal brake. The transmission facilitates driving also in hilly terrain. The BF3 free-wheel prevents the pedals from turning when driving forward. The driver can therefore stop pedalling while moving forward. This minimises the risk of injury. To reverse the go-kart, you intuitively break with the pedals or the handbrake until it stops. Then the pedals are turned backwards. The reverse gear engages automatically. With studded tyres, floating axle, exhaust, spherical head steering, front spoiler and 6 seating positions, it is equal to its bigger role models in terms of efficiency and reliability. Its deployment, with the roll bar as standard, is always safe even in rough terrain. Thanks to the integrated trailer hitch, you are well equipped for any work in the field. Suitable for children from 5 years upwards. L 150 × W 86 × D 80 cm. Weight: 52 kg. Bears loads up to 100 kg.

X991 018 226 000 5+

5 FENDT SPEEDY
The SPEEDY FENDT BF1 for all power kids from 3 years upwards. With the BRAKE FREE-WHEEL BF1, you can drive forwards and backwards without switching. With integrated back pedal brake for particularly safe and comfortable braking. Ball-bearing mounted tyres have little roll resistance. The equipment is amongst the best. Some highlights: Front spoiler, trailer hitch and spherical head steering. You can even install a front lifting device with a loading shovel or fit a second seat. Dimensions: L 120 × W 72 × D 77 cm. Weight: approx. 28 kg. Bears loads up to 80 kg.

X991 018 227 000 3+

TOY MODELS

FOR THE LOVE OF PLAYING.

Experience the fascination of Fendt while playing.

1 FENDTI HAPPY TRACTOR
Driving a tractor is fun for all kids! The play tractor is suitable for children with its rounded shape and without dangerous edges. Its big eyes give it a humorous character. It helps the little farmer's fine motor skills and the desire to discover. Recommended for children from 12 months upwards. Length: 25 cm.

X991 015 201 000 1+

2 FENDTI HAPPY TRACTOR WITH TRAILER
This combination consists of a tractor and trailer fitted with free-wheel, light and sound and is an impressive 65 cm long. The front shovel can be moved up and down manually as well as removed to load the trailer. It is very easy to hitch and unhitch the trailer to the towing hook and manually unload the trailer. The toy tractor is suitable for children with its rounded shape and promotes fine motor skills. Batteries contained: 2 × 1.5 V-R6. Recommended for children from 12 months upwards.

X991 017 206 000 1+

3 HAPPY FENDT TRIO
Gripping, seeing, playing: The Happy Fendt Team consists of three agricultural vehicles for little explorers. Tractor, combine harvesters and tracked vehicle are equipped with light and sound and stimulate the imagination. Corners and edges have been ergonomically rounded off. The Happy design has been perfectly designed for small hands. World explorers are thus training their motor skills and playfully learn about technical concepts. Recommended for children from 12 months upwards. Length: 16 cm each.

X991 019 007 000 1+

4 HAPPY FENDT LOADER
The tractor with its movable scoops at the front and back brings a smile to a child's eyes. It does not take long before own play ideas have been developed, as the use of the loader (at the touch of a button) and bucket arms (can be set manually) promotes creative play. The building site is quickly secured with the two traffic cones that are included. All corners and edges are easy-grip and rounded off. Recommended for children from 12 months upwards. Length: 21 cm.

X991 019 008 000 1+

5 HAPPY FENDT SNOW PATROL
Snow clearing with the Snow Patrol. The friendly tractor with snow blower and snow sign for easy changing over convinces with its variety of functions for the "cold" season. At the rear there is a container, which can be filled with sand for gritting. With light, sound and a rotatable chimney, the Snow Patrol is a versatile toy that is teaching logic. Due to the round corners and edges, the Fendt can be picked up without any problems. From 12 months. Length: 21 cm.

X991 019 009 000 1+

6 HAPPY FENDT HAY BALER
Fun with hay: This tractor with baling press is pure joy. The hay bale turns in the press and can be ejected at the touch of a button. It is also funny and presents an opportunity to learn about the underlying technical principle. Child's hands can easily detach the trailer from the tractor unit. Sound and light stimulate the senses. The tractor with its ergonomic design has rounded corners and edges and is recommended for children from 12 months upwards. Length: 30 cm.

X991 019 010 000 1+

1 HAPPY FENDT TEDDER
An indispensable toy in the children's room: The Fendt tractor with tedder unit. The tedder conveys the most important elements of the large Fendt model in a child-friendly version. The trailer is equipped with a tedder, which rotates when moving. Light and sound ensure even more fun while playing. The tractor unit can very easily be detached from the trailer. Recommended for children aged 12 months. Length: 30 cm.

X991 019 011 000 1+

2 HAPPY FENDT PLOW
If you sow fun, you reap knowledge. The Fendt Plow toy tractor with plough and scattering function offers numerous opportunities to learn important aspects about the world and life. The plough moves upwards and downwards when driving and simulates ploughing. In a container, sand can for instance be used as "seeds", which flows out from a small hole during driving. Light and sound stimulate additional senses and ensure impressive play fun. From 12 months. Length: 30 cm.

X991 019 012 000 1+

3 HAPPY FENDT ANIMAL TRAILER
Children have great fun when they are playing with the Fendt Animal Trailer. The toy consists of a Fendt tractor with child-friendly appearance, light and sound, an animal trailer as well as a cow. The tractor unit can easily be detached from the trailer. This is what our youngest use to drive the cows to the pasture. The cow and trailer are compatible with a well-known modular system, so that the toy fits in brilliantly with the toy collection at home. Recommended for children aged 12 months. Length: 30 cm.

X991 019 013 000 1+

4 HAPPY FARMHOUSE
The farmhouse for the Fendt farm and prospective farmers introduces even the youngest into the world of agriculture. The set consists of a house that can be folded out, with barn, tractor garage and hayloft with ramp as well as a tractor, animals and a hay bale. Animal and vehicle noises or music supplement the adventurous play with all senses. Exciting details, such as the moving scroll in the roof with time display invite to explore. Batteries included. Recommended for children aged 12 months. Length: 38 cm (folded out).

X991 019 014 000 1+

5 FENDT 939 VARIO WITH TRAILER
The Fendt 939 Vario with Fliegl trailer brings the excitement of the countryside right into children's bedrooms. Light and sound effects accompany the young farmer at work and foster the imagination. The battery-driven trailer is loaded in no time at all, then it's back to the farm. Length approx. 41 cm. Batteries included. Recommended age 3 to 5 years.

4 FENDT 926 VARIO WITH IRRIGATION SPRINKLER
Now we can get going with the irrigation – whether on plantations with increased demand for water or in dry summers – mobile sprinklers are often indispensable. The Fendt 926 Vario with irrigation sprinkler playfully gets the harvesting process going. The sprinkler is hooked up to the reel for road transport. On the field, the hose is rolled from the reel and hooked up to the sprinkler so that a larger area can be watered. When the irrigation is finished, the hose can be rolled up onto the reel and the sprinkler hooked up.
