# MAXIMISE YOUR UPTIME

MAINTENANCE CONTRACT.

## TOP BENEFITS

- Cost control
- Flexible contract
- Optimum machine performance
- Full service history
- High resale value

Fix your costs at the point of purchasing your Valtra machine and ensure the optimum performance, while guaranteeing efficiency and maximize the residual value of your machine! Valtra Go service contracts ensure regular and thorough maintenance which will prolong the reliable operation and increases the residual value of your Valtra tractor. Maintenance costs are small compared to repair costs resulting from lack of maintenance. The Valtra Go service package includes all prescribed maintenance work bookable up to 10,000 hours for new and used machines.

Valtra-trained service technicians will regularly and thoroughly maintain your tractor, either on-site or at your dealer's premises. All you need to do is to take care of essential care tasks like lubrication, and basic checks and adjustments.

## STAY CONNECTED, ANYWHERE, ANYTIME

TRACTOR DATA, INFORMATION AND SERVICES.

By choosing Valtra you are connecting with a team of professionals that help you make the most of your business. You can contact your local support through our online customer portal which also gives you 24/7 access to tutorials, contractual information and services around your machines. The Valtra Connect telemetry solution records tractor activity and GPS movements, all the time. It can display history and real time data on your mobile device and you can access the data anywhere, anytime. Using this data, you and your Valtra service partner can anticipate maintenance needs, and react faster to solve minor issues and avoid extra visits to your authorized service centre.

### HOW DO I START USING VALTRA CONNECT?

#### All N and T Series tractors

Register online [www.valtraconnect.com](http://www.valtraconnect.com) and enter tractors chassis number and authorised service center. After activation the service is ready to use!

#### OTHER 3RD AND 4TH GENERATION N AND T SERIES MODELS (HITECH, ACTIVE, VERSU, DIRECT)

A retrofit kit has to be installed by your dealer. After this, simply register online at [www.valtraconnect.com](http://www.valtraconnect.com) and enter the tractor's chassis number and authorised service center. After activation, the service is ready to use!
