

## Maintenance and extended warranty

# Standard services to keep costs down

In order to keep your machine in full working order at all times, we offer a tailored maintenance and repair service beyond the statutory warranty. Fendt Care offers you flexible policy with periods according to the machine type, and premiums, with and without excess.

- Longest cover on the market for tractors
- The most comprehensive cover and policy period in the industry
- Manufacturer backed
- AGCO attachments also covered
- High degree of flexibility and risk mitigation
- Upgrade of an existing extended warranty
- Costs fully under control and planning certainty
