

MASSEY FERGUSON

THE GENUINE CHOICE

REPAIR & MAINTENANCE KITS

AXLES & STEERING QUICK REFERENCE GUIDE

THE WHOLE IS LESS THAN THE SUM OF ITS PARTS!

At AGCO we are always looking for more efficient and cost effective ways to help our customers take care of their machine.

That is why we are introducing a new range of Axle & Steering Repair & Maintenance Kits for the most popular ranges of tractors such as:

- **MF 5400-6200-6400 series**

Our range of kits has been created to reduce the risk of expensive breakdowns by providing a cost effective regular axle maintenance solution. Choosing these comprehensive kits to replace all wearable parts means less downtime for the tractor and less workshop time saving you money!

These genuine kits approved by Massey Ferguson Engineering are manufactured to the strict tolerances of your original axle for guaranteed fit, performance and reliability.

Benefits of choosing an axle and steering kit are:

- Replacing several Parts in one visit reduces overall workshop time
- Reduced unproductive downtime
- Reduced labour costs
- Extended lifespan of the axle & steering systems
- Reliable performance for peace of mind
- Only genuine AGCO Parts used for guaranteed fit and function
- All backed by our 12 months warranty (T&C apply)
