

The background of the entire page is a close-up, high-angle view of a tractor's engine compartment. The engine is painted a vibrant red, and various mechanical parts like belts, hoses, and pulleys are visible. A large, semi-transparent white gear is overlaid on the left side of the image, partially obscuring the engine components. The overall lighting is dramatic, with strong highlights and deep shadows, creating a sense of power and industrial precision. The Valtra logo is visible on a red panel in the top right and on the side of the engine housing.
