Sickle Assemblies | Sickle Sections
Disc Mower Knives | Hardware

Introduction

AGCO provides parts for its equipment as well as all makes direct from the manufacturer. This catalog offers easy-to-use reference information for cutting parts and components, including OEM information. Details in this catalog have been reconfigured to group products by brand, and reflect updated parts, models, and user suggestions.

Note: Bolt-On and Riveted sickle numbers are replacements for the OEM part, not necessarily the exact OEM part.

Package Quantity Guide

Standard packages help reduce packaging and labeling errors. Standard packages also reduce your costs to receive and merchandise product at your dealership.

The standard package quantities we have established are:

1) SICKLE SECTIONS

All standard sections must be ordered in multiples of 100 pieces. To help you understand our options for packaging sections, we offer the following examples:

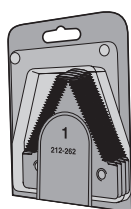

211-001

- 25 sections/chipboard box
- 4 boxes per master

Example — If you order a quantity of 100, 211-001, you will receive 100 sections packaged 25 each in a chipboard box

211-001-10

- 10 sections in a plastic display package
- 10 plastic display packages per master carton

Example — If you order a quantity of 100, 211-001-10, you will receive 1000 sections packaged 10 each in a plastic display package

Note: Same part number is shown above with change in suffix (pack type) only. Suffix determines type of packaging. Please specify type of box and quantity per box when ordering.

2) RIVETS

Standard Carton: 10 1-lb. plastic display packages per carton

Note: Plastic Display packages are ordered in increments of 10.

Example — If you order 10, 904-002, you will receive one carton containing 10 1-lb. Plastic Display Packages (1 x 10 Plastic Display Packages = 10 Plastic Display Packages)

Example — If you order 20, 904-002, you will receive two cartons containing 20 1-lb. Plastic Display Packages (2 x 10 Plastic Display packages = 20 Plastic Display Packages)

3) BOLT-ON FASTENERS

Standard Carton: 10 plastic display packages per carton

4) LEDGER PLATES, HALF AND OVERLAP SECTIONS

Standard Carton: 10 pieces/carton

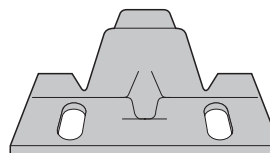

5) MALLEABLE GUARDS

Standard Carton: 25 pieces/carton for center guards
1 piece each for inner and outer guards
