#### 1 FENDT SPEEDY

The SPEEDY FENDT BF1 for all power kids from 3 years upwards. With the BRAKE FREE-WHEEL BF1, you can drive forwards and backwards without switching. With integrated back pedal brake for particularly safe and comfortable braking. Ball-bearing mounted tyres have little roll resistance. The equipment is amongst the best. Some highlights: Front spoiler, trailer hitch and spherical head steering. You can even install a front lifting device with a loading shovel or fit a second seat. Dimensions: L 120 x W 72 x D 77 cm. Weight: approx. 28 kg. Bears loads up to 80 kg. **£ 307.20**

## 2 FENDT ROADSTER WITH BACK PEDAL BRAKE

The TRACK BF1 FENDT with roll bar is brilliantly equipped! With studded tyres, floating axle, exhaust, spherical head steering, front spoiler and 6 seating positions, it is equal to its bigger role models in terms of efficiency and reliability. Its deployment, with the roll bar as standard, is always safe even in rough terrain. Thanks to the integrated trailer hitch, you are well equipped for any work in the field. Apart from the modern design, the go-kart also has the latest BF1 free-wheel. The BF1 prevents the pedals from turning when driving forward. The driver can therefore stop pedalling while moving forward. This minimises the risk of injury. To reverse the go-kart, you intuitively break with the pedals or the handbrake until it stops. Then the pedals are turned backwards. The reverse gear engages automatically. Pure driving fun! Dimensions: L 150 x W 86 x D 80 cm. Weight: 50 kg. Bears loads up to 100 kg.
