MASSEY FERGUSON

MASSEY FERGUSON ORIGINAL

CLASSIC AND COMFORTABLE

Classic clothing designs in a variety of colours available for both men and women. Made from high quality materials, giving great comfort in both a work and leisure environment.

1 BLACK BEANIE

Basic knitted cap made from soft material with a perfect fit: thanks to the stretchy, ribbed knit pattern, the cap fits any head shape without squeezing or slipping. Material | 48 % polyester, 22 % acrylic, 21 % polyamide, 9 % merino wool

X993312120000 £ 12.50

2 BOBBLE HAT

Perfect for really cold days. This bobble hat with reflective yarn and a bobble, which can be removed using a press stud, impresses with a sophisticated cable-knit pattern. The contrasting edge with the MF logo rounds it off perfectly.

Material | 48 % polyester, 22 % acrylic, 21 % polyamide, 9 % merino wool

1 MF ROADSTER

The MF Roadster go-kart from DINO CARS is the ideal vehicle for farm or leisure activities. It will make the eyes of the youngest ones shine with its original design and will seduce the older ones thanks to its sturdiness and maneuverability. With its style tires, floating front axle, exhaust pipe, ball-point steering, front spoiler, integrated trailer coupling and 6-point seat adjustment is in no way inferior to its big role models in terms of efficiency and reliability. Even on rough terrain, its standard roll bar and handbrake ensure perfect safety. It also features the all-new BF1 freewheel bearing that prevents the pedals from turning while driving forward, minimising the risk of injury if the driver stops pedaling. Want to go in backward? It couldn't be easier! Just pedal backwards and reverse gear will engage automatically. Pure driving pleasure!

Dimensions | 150 × 86 × 80 cm. Weight | 50 kg.
Load capacity | Up to 100 kg.

2 MF SPEEDY

A fast go-kart for fast kids? With its 5-point seat adjustment the MF Speedy Go Kart from DINO CARS is the ideal vehicle for children between 3 and 9 years old. It is extremely stable and at the same time runs extremely light thanks to pneumatic tires with integrated inner tubes and narrow wire rims. For more security the brake freewheel with coaster brake, minimizes the risk of injury while the drivers is taking a break during the forward movement. Going reverse, nothing's easier! Only slow down the go-kart with backpedal brake until the kart stands still. Afterwards you kick the pedals backwards. The reverse gear is now automatically engaged. Pure driving pleasure! Dimensions | 120 × 72 × 77 cm. Weight | 28 kg. Load capacity | Up to 80 kg.

COLLECTABLES

DETAILS AND AUTHENTICITY

True scale models of your favourite tractors, most of them on a 1:32 scale. The models are made from high quality materials, with significant attention to detail. For gifting or simply a treat for yourself – all fans of the brand will find something here.

1 MF 5S | SCALE 1:32

The new Massey Ferguson 5 Series tractor features the new MF design introduced on the already popular 8S, recognisable by its grey "SABRE" stripe. This replica model has all the details that made the original so successful. The bonnet is sharply shaped and sloping and the headlights are banded. The front and rear three-point hitches are functional, as is the steering, and the mirrors are removable. The new cabin is very detailed with dials on the dashboard, the controls are all grouped on the armrest, as are the levers and screens too. All decorations and markings are pad printed and the tyres are made of rubber. A model that belongs in every collection alongside the MF 8S.165.

X993042106304 £ 62.87

2 MF 8S.265 | SCALE 1:32

The latest model in the Massey Ferguson series, the MF 8S.265, has a completely new design with a bracket on the engine bonnet and a large cab that is reminiscent of the MF 2700 series. The miniature contains all the features of the famed model right down to the smallest detail, including the interiors and removable outside mirrors.

3 MF LUNAR CONCEPT | SCALE 1:32

At the 2019 Agritechnica show, Massey Ferguson presented its vision of the future in the form of the MF Lunar Concept. The concept provides a foretaste of the design of the coming models in the series and is a tribute to the 50th anniversary of the first man on the moon. Just as the landing on the moon altered the vision of mankind, the MF Lunar Concept will change the vision of the tractor. This exclusive miniature is a representation of the original model with its pearl white paint and golden cab panes, its LED lighting, innovative wheels and cladding. A first in the world of miniatures.

X993041206279 £ 62.98

5 MF 8250 XTRA | SCALE 1:32

The 8250 Xtra tractor model has all the details and specifications of the original: Realistic rear lift, moving wheels, detailed cab, pedals, armrests and movable mirrors.

X993041906257 £ 53.88

4 MF 8740 S | SCALE 1:32

Impressive, detailed diecast model of the flagship Massey Ferguson S-Effect Tractor. The MF 8740 S has powerful new styling to match a powerful 400HP engine and precision farming capabilities. This beautiful replica features a new front weight, new GPS and its support, updated outside mirrors, rear turn signal and warning sign, and highly accurate cab detail, with a new armrest and colours.

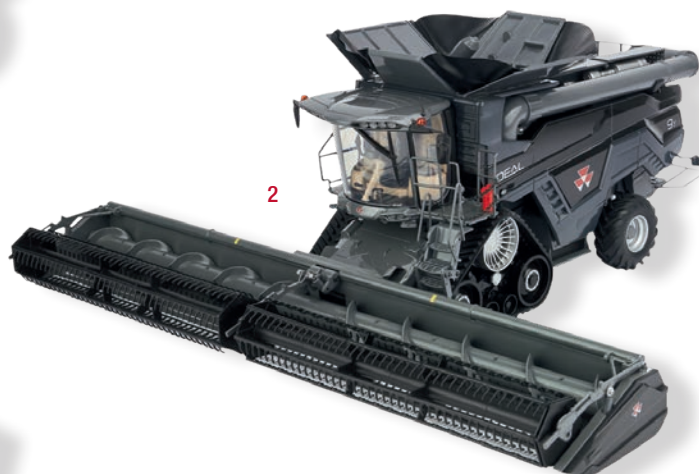

X993041906216 £ 53.88

6 MF 7726 S | SCALE 1:32

What better tractor to reproduce in scale, than the successor of the multi-award winning MF 7600 Series? The updated hood features a new MF lightbar with signature "S", with the MF triple triangle still in pride of place. A front weight, new outside mirrors, and GPS antenna complete the high level of detail on this greatly anticipated replica.

4 MF 3080 | SCALE 01:32

Re-edition: The MF 3080, of which more than 11,000 tractors were produced between 1986 and 1992, was the first "smart" tractor to feature on-board electronics with Autotronic and Datatronic systems. The Datatronic version shown here is equipped with four-wheel drive, complete with finely reproduced rims, wheels, front axle and drive shaft. The steering is functional, as is the three-point linkage. The perforated steps are finely engraved, and inside the cab you can see all the levers, dials, pedals and the MF logo on the steering wheel. The rails, mirror supports and additional lights are painted. A very nice piece to add to your collection.

5 MF 135 WITHOUT CAB | SCALE 1:32

Re-edition: Introduced in 1964 and produced until 1975, the 100 Series model succeeded the legendary Massey Ferguson 35 and introduced the new angular bonnet. It was sold in almost every country in the world. The scale model shown here is an exact replica of the Perkins engine with its three cylinders, wiring, brake levers, accelerator pedal, gear shift, etc., not to mention the dashboard with all its dials. The steering is functional, as is the three-point linkage. The finely engraved tyres are made of rubber, while the headlights and the additional rear light are made of transparent plastic. All decorations are pad printed. A legendary tractor to add to your Massey Ferguson model range.
